

Gregory Teasdale

586.498.6990 | gregory.teasdale@wayne.edu | Macomb, MI

OBJECTIVE & SUMMARY

Highly skilled, motivated and versatile stagehand with a strong background in IT and experience in various roles within the film industry. Seeking new opportunities to apply technical expertise, problem-solving skills, and passion for production as a stagehand, audio/video or in related positions.

EXPERIENCE & WORK

Stagehand

Local 38 IATSE | Detroit, MI | 2022 – Present

- Assisted in the setup and maintenance of stage and set elements and trusses, ensuring proper positioning and functionality.
- Actively participated in load-ins, load-outs, and equipment transportation, demonstrating exceptional physical stamina and attention to safety protocols.

IT Field Support & Technician

GTIT Solutions | Detroit, MI | 2018 – 2022

- Provided technical support for users and clients on hardware, software, security and network issues.
- Configured and maintained networks, virtual machines, and databases for a multitude of clients that were including, but not limited to, involvement in the food and beverage and manufacturing industries.

Production Assistant

Fremantle Media | Hollywood, CA | 2015 – 2018

- Assisted producers and production team with proofreading union paperwork, along with camera and lighting set-up/teardown.
- Acted as technical support for production – including configuration of routers, VOIP phones, and LAN/WAN hardware

SKILLS & TOOLS

- Proficient in troubleshooting and resolving technical issues related to lighting, sound, audiovisual equipment, and computer systems.
- Over 5 years of experience as a stagehand, specializing in IT support, production assistance, assistant camera, and assistant grip work in film.
- Strong knowledge of industry-standard software and hardware, including but not limited to digital audio workstations, video editing software, lighting consoles, and camera equipment.
- Dedicated and enthusiastic team player, with a strong work ethic and a commitment to delivering exceptional results.

EDUCATION & COURSEWORK

Associate's Degree

Macomb Community College, Dean's List

CERTIFICATIONS & NOTES

Pursuing certification and actively learning via OSHA, Schneider Electric courses and RedHat Linux. Newsletter contributor for a vast and inclusive network of hardware engineers. MSSQL 4329 & 4330 Certified. Production experience in quality inspection, metal fabrication and overhead crane operation. I have also held positions in AV, Graphic Design, Art Department, Camera, and Grip work.
